

BLUEFURY[®]

PRESSURE-SIDE INGROUND CLEANER

30%

Faster Than Any Other
Pressure-Side Cleaner

NIGHT CRUIZE™ LED

THE CLEANER THAT PUSHES THE LIMITS OF PERFORMANCE AND DESIGN

The **BLUEFURY**® Pressure-Side Inground Pool Cleaner puts cleaning into high gear with its sleek styling and aggressive pursuit of dirt and debris. Its sporty and technologically-advanced design earns the **BLUEFURY**® cleaner the checkered flag, with 30% faster cleaning speed than any other pressure-side cleaner.

Operating the **BLUEFURY**® cleaner is quick and simple too, just attach to your dedicated pressure line and watch it go to work. Combine the **BLUEFURY**® pressure cleaner with a 5-stage Boost-Rite™ booster pump for maximum performance.

A PROFESSIONAL GRADE CLEAN WITHOUT THE HASSLE

As part of Pentair's ever-evolving cleaners line, the **BLUEFURY**® cleaner delivers high-performance cleaning that dominates the competition. No other cleaner features four venturis for the most powerful cleaning ever. The **BLUEFURY**® cleaner delivers greater suction than other pressure-side cleaners, and has the industry's largest vacuum tube—to tackle debris of all shapes and sizes with ease. The built-in rotating brush makes quick work of hard-to-remove debris and is great for sandy environments and new pool finishes. Its deep cleaning and speedy performance will have you spending less time cleaning and more time enjoying your pool.

PRODUCT FEATURES

- 30% faster than any other pressure-side cleaner.
- Front rotating brush scrubs and scours for a deep and detailed clean.
- Large intake captures debris of all sizes.
- Cleans continuously in forward and reverse modes for complete, uninterrupted coverage.
- Greater suction than other cleaners for greater pickup power.
- Ultra-bright LED lights illuminate and enhance nighttime cleaning.
- Quick and easy to maintain—innovative design makes servicing a snap.
- 4 Ventury Jets
- Internal Back Up Valve
- Including flow gauge to set cleaner speed.

The built-in rotating brush makes quick work of hard-to-remove debris and is great for sandy environments and new pool finishes

BLUEFURY®

PRESSURE-SIDE INGROUND CLEANER

Molded handle for easy removal from pool

Easy and secure snap-on debris bag with one-button removal

Four venturis for increased cleaning power

Wide tires for steady traction

Built-in rotating brush scrubs and scours for a deep clean

A CLEANER THAT LOOKS AS GOOD AS IT CLEANS

Durable, rugged construction is at the foundation of the **BLUEFURY®** cleaner's intelligent design. But it also delivers high-end looks and stylish appeal. Plus, its wide tires and sleek body design allow it to cut through water with reliable traction, resulting in maximum efficiency and faster cleaning times.

FEATURING EXCLUSIVE NIGHT CRUIZE LED TECHNOLOGY

The **BLUEFURY®** is the first automatic pressure pool cleaner with underwater LED lights, adding brilliant lighting to nighttime cleanings. The twin LED lights are powered by its own water turbines—so you'll never have to worry about replacing worn-out batteries. Night Cruise LED lights add ambiance and excitement to your after-dark cleaning experience.
